

Dear Friends and Family,

Warm Summer Greetings!

There is so much news to share *at àMaurice Cellars!* 15,000 new beginnings...the little green dots in Nick's beautiful photo are our newest members. We are now cultivating *more than 15,000 vines*. In total, we have 13.5 acres of Cabernet Sauvignon, Cabernet Franc, Petite Verdot, Merlot, Syrah, Viognier and of course Malbec.

We are equally excited to announce OUR 2005 COLUMBIA VALLEY VIOGNIER is for sale! There is a very limited quantity (157 cases). We are offering our first vintage to our friends and family first, before releasing our wine to the general public. It is a food-friendly, balanced white wine full of tropical fruit notes, including papaya and pineapple, with a bit of honeysuckle in the nose. It is excellent paired with crab, mussels, clams or a fresh salad.

We will be proudly releasing our 2004 PREMIER RED BORDEAUX BLEND and THE 2005 COLUMBIA VALLEY CHARDONNAY in November, however they are available for pre-sales on our website.

Our long awaited website was launched today! www.amaurice.com There you will find our Current Releases as well as Photos, Tasting Notes, Order Forms Wine Club and Event information.

Cheers!
The Schafer Family
