

HELLO FROM HARVEST!

Howdy from Harvest! This heavenly vineyard is not only breathtakingly beautiful, but also yields exceptional fruit. Wallula Vineyard is on the cliffs of the Columbia gorge. Each block of vineyard balances on glacial sediment left by the Missoula floods. This is where we find our Merlot. After fermentation this deep ruby red potion had strong Rainier cherry notes and excellent tannin structure. It is so delicious we are planning on having a very limited production (under 4 barrels) of Wallula single vineyard Merlot in 2008. We will fill you in on the details later.

Wine Events!

November 3rd – 5th 2006 – àMaurice Grand Opening, Walla Walla. We will proudly release our 2005 Chardonnay as well as our 2004 Premium Red Blend. Both taste fantastic. There will also be barrel tasting of our upcoming vintages, a sampling of local salami, Monteliet Fromagerie (artisan goat cheeses) and breads, perfect for the fall. Please come visit us on the crush pad and take a stroll through our beautiful estate vineyard with wine in hand.

December 1st - 3rd 2006 – Holiday Barrel Tasting, Walla Walla. Holiday Barrel Tasting is an annual event held on the first full weekend of December in the Walla Walla Valley. This will be the Valley's 10th annual Holiday Barrel Tasting. We will taste samples of future releases straight from the barrel and enjoy the wines of a new vintage.

We are so pleased and honored that you are making us a part of your table and of your lives. It truly is gratifying to know that you like our wine as much as we do.

Happy picking, Anna
