

Summertime Greetings!

À LIST Many of you know, we have changed our Wine Club to the “à List”. Same great fun, only better. Now, you will receive emails regarding “Mailing List Only” wines. You will also have exclusive first rights to ALL our releases for one month prior to their public release date. You will be notified whenever àMaurice is in your area, so that you can be a part of special tastings and dinners. We will also be emailed about special events held at the winery.

With that being said, presenting 100% WALLA WALLA MERLOT! à List, this is for you. We held this barrel out for a special à Lister bottling...only 25 cases! Why? This Merlot is a Cab in sheep’s clothing. When I first asked Ned how he would describe the Merlot he said...”AWESOME.” Then he had this to say, “Briar berry, cherry, and dark fruits including hints of blueberry, cassis and stewed rhubarb. Nice smooth oak integration with lovely toasty oak character including saddle leather and pipe tobacco, coming from the single Boutes barrel. Nice Medium plus acidity and great structure. Long supple lingering finish- very generous.” Then I said, “Radical.” The Merlot is first come and a limit of 6 bottles per person. \$34/bottle. Please visit our website to order. www.amaurice.com

AVAILABILITY We are sold out of the 2004 Premier Blend. We have very few cases of the Chardonnay left, less than 35 cases. We also have our 2005 Syrah and our 2006 Viognier, 100 cases each left.
